COMMENTS / EXPLANATIONS / QULIFICATION MADE BY SECRETARIAL AUDITORS

The Secretarial Auditors of the company have drawn the attention of the management on some Non Compliances which marked as qualification in their audit report. In connection with the same, management herewith giving the explanations as follows:

It's a matter of fact that the BSE vide its notice no. 20160328-15 dated March 28, 2016 and In continuation of the Exchange notice no. 20160304 – 28 dated March 04, 2016, the company has been suspended from trading in the shares of the Company. However the Company in the interest of its member has already filed its reply to BSE for revocation of suspension of trading in securities.

With respect to appointment of Managing Director (MD) Girraj Kishor Agrawal; MD was appointed in the Annual General Meeting of the year 2012 vide special resolution dated 28/09/2012 and the order imposing penalty was passed dated 04/02/2013 vide its power under Section 15H(ii) of the SEBI Act, which had imposed an individual monetary penalty; the order was passed after his appointment as MD. Mr. Girraj Kishor Agrawal has paid the penalty. From the date of appointment to till date, MD has not drawn any salary for his position in the company. There was no malafide intention for the same. The company in future will apply to Central Government approval for making good the said default.

The Company is not registered under Maharashtra State Tax on Professions, Trades, callings and Employments Tax, Act 1975 (Profession Tax Act). The Company will soon obtain valid Profession Tax number and will comply the same in future.

As far as utilisation of allotment money is concerned, the company has raised fund to fulfill the additional fund requirements for capital expenditure including acquisition of companies / funding long term working capital requirements, marketing, setting up offices abroad and for other approved corporate purposes which includes giving of loans and advances. The main object of the company at the time of raising of funds was finance and investment only and even if the same was not specifically mentioned the company can use the money so raised for its main object.

As pointed out by the secretarial auditors that Company has failed to appoint Chief Financial Officer; The Company is of view that though the Company has tried to appoint the CFO but did not found the desired candidate as per company's requirement. But in the month of Feb 2016, it appointed CFO for the company. And with respect to appointment of Company Secretary it was delay of appointment for just one month and presently the company has Company Secretary.

As pointed out by the secretarial auditors that Company has failed to secure the approval of the members through postal ballot for exceeding limits for making loans and advances, providing guarantee and security and making of investment u/s 186 of the Companies Act, 2013 during the year. We contend the said observation, since the company's main object is financing and according to 186(11), which specifically exempts every company engaged in the business of financing of companies from the ambit of this section. However the Company has already taken the approval of the members at 39th Annual General Meeting for the same.

Annexure B to the Independent Auditors' Report-31st March, 2016**Report on the Internal Financial Controls under Clause (i) of sub-section 3 of the Section 143 of the Companies Act, 2013 ('the Act')**

We have audited the internal financial controls over financial reporting **Tilak Ventures Limited (Formerly Known as Tilak Finance Limited)** ('the company') as of 31st March, 2016 in conjunction with our audit of the financial statements of the company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountant of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor's Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the 'Guidance Note') and the Standards on Auditing, issued by ICAI and deemed to be prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting were established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control-based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorization of the Management and directors of the Company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the Company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Qualified Opinion

According to the information and explanations given to us and based on our audit, the following material weaknesses have been identified as at March 31, 2016.

- a) The Company did not have an appropriate internal control system for granting Loans. Demand and other loans given are governed by the Board policies. Considering the close monitoring of Board no appraisal, renewal, Policies, Procedure, Committee or documents have been prescribed and executed.
- b) The Company's internal control system is not commensurate to the size and scale of operation over purchase and sale of trading division.

A 'material weaknesses' is a deficiency, or a combination of deficiencies, in internal financial control over financial reporting, such that there is a reasonable possibility that a material misstatement of the company's annual or interim financial statements will not be prevented or detected on a timely basis.

In our opinion, except for the effects / possible effects of the material weaknesses described above on the achievement of the objectives of the control criteria, the Company has maintained, in all material respects, adequate internal financial controls over financial reporting and such internal financial controls over financial reporting were operating effectively as of March 31, 2016, based on the internal control over financial reporting criteria established by the company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Chartered Accountants of India.

We have considered the material weaknesses identified and reported above in determining the nature, timing, and extent of audit tests applied in our audit of the March 31, 2016 financial statements of the Company, and the material weakness does not affect our opinion on the financial statements of the Company.

NOTES FORMING PART OF THE FINANCIAL STATEMENTS**1. SIGNIFICANT ACCOUNTING POLICIES****a) Basis of preparation of financial statements**

The financial statements are prepared in accordance with Generally Accepted Accounting Principles (“GAAP”) in India under the historical cost convention, on accrual basis of accounting and comply with Accounting Standard notified under section 133 of Companies Act, 2013 read with general Circular 8/2014 dated April 4, 2014 issued by Ministry of Corporate Affairs to the extent applicable. The accounting policies have been consistently applied by the Company and are consistent with those used in the previous year.

b) Going Concern Assumption:-

The financial statements have been prepared assuming entity will be able to continue its operation in near foreseeable future and there is no material circumstances casting doubt over going concern ability of company and neither management intends to liquidate its operation. Though company has incurred loss in the current year, management has made sufficient viable plan to overcome such situation in future and the plan appears to be promising to validate the going concern assumption.

c) Inventories

Items of inventories are measured at lower of cost and net realizable value after providing for obsolescence, if any, except in case of by-products which are valued at net realizable value. Cost of inventories comprises of cost of purchase, cost of conversion and other costs including manufacturing overheads incurred in bringing them to their respective present location and condition. Cost of raw materials, packing materials, trading and other products are determined on weighted average basis. Inventories are determined on First-in-First-Out (FIFO) basis.

d) Use of Estimates

The Preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent liabilities at the date of the financial statements and the results of operations during the reporting period. Although these estimates are based upon management’s best knowledge of current events and actions, actual results could differ from these estimates. Any revision to the accounting estimates is recognized prospectively.

e) Revenue recognition

1. Income from Operation is recognized upon transfer of significant risks and rewards of ownership to the buyer.
2. Other Income is recognized to the extent that it is probable that the economic benefits will flow to the Company and the revenue can be reliably measured.
3. Dividend is recognized when the shareholders’ right to receive payment is established at the balance sheet date.

f) Fixed Assets**Tangible Assets**

Fixed assets are stated at cost, less accumulated depreciation and impairment losses if any. Cost comprises the purchase price and attributable cost of bringing the asset to its working condition for its intended use. Borrowing costs relating to acquisition of fixed assets which takes substantial period of time to get ready for its intended use are also included to the extent they relate to the period till such assets are ready to be put to use. Capital work in progress includes expenditure incurred till the assets are put into intended use.

Intangible Assets

Intangible Assets are stated at cost of acquisition net of recoverable taxes less accumulated amortization / depletion and impairment loss, if any. The cost comprises purchase price, borrowing costs, and any cost directly attributable to bringing the asset to its working condition for the intended use and net charges on foreign exchange contracts and adjustments arising from exchange rate variations attributable to the intangible assets.

g) Depreciation

Depreciation on tangible assets is provided using the Straight Line Method over the useful lives of the assets estimated by the Management. Depreciation for the assets purchased / sold during the year is proportionately charged as prescribed in Schedule II to the Companies Act, 2013. Intangible assets are amortized over their respective individual estimated useful lives on a straight line basis, commencing from the date the asset is available to the Company for its use.

h) Impairment of assets

The carrying amounts of assets are reviewed at each balance sheet dates and if there is any indication of impairment based on internal/external factors. An impairment loss is recognized wherever the carrying amount of an asset exceeds its recoverable amount. The recoverable amount is the greater of the asset's net selling price and value in use. In assessing value in use, the estimated future cash flows are discounted to their present value at the weighted average cost of capital. If at the balance sheet date, there is an indication that a previously assessed impairment loss no longer exists, then such loss is reversed and the asset is restated to extent of the carrying value of the asset that would have been determined (net of amortization / depreciation), had no impairment loss been recognized.

After impairment, depreciation is provided on the revised carrying amount of the asset over its remaining useful life.

i) Investments

Investments that are readily realizable and intended to be held for not more than one year are classified as current investments. All other investments are classified as long-term investments. Current investments are carried at lower of cost or fair value determined on individual investment basis. Long-term investments are carried at cost. However, provision for diminution in value is made to recognize a decline other than temporary decline in the value of the investments.

j) Taxation

Tax expense comprises of current income tax and deferred income tax. Current income tax is measured at the amount expected to be paid to the tax authorities in accordance with the Indian Income Tax Act. Deferred income taxes reflects the impact of current year timing differences between taxable income and accounting income for the year and reversal of timing differences of earlier years. Deferred tax is measured based on the tax rates and the tax laws enacted or substantively enacted at the balance sheet date. Deferred tax assets are recognized only to the extent that there is reasonable certainty that sufficient future taxable income will be available against which such deferred tax assets can be realized. In situations where the company has unabsorbed depreciation or carry forward tax losses, all deferred tax assets are recognized only if there is virtual certainty supported by convincing evidence that they can be realized against future taxable profits. At each balance sheet date, the Company re-assesses unrecognized deferred tax assets. It recognizes unrecognized deferred tax assets to the extent that it has become reasonably certain, as the case may be, that sufficient future taxable income will be available against which such deferred tax assets can be realized. Minimum Alternative Tax (MAT) credit is recognized as an asset and carried forward only if there is a reasonable certainty of it being set off against regular tax payable within the stipulated statutory period.

k) Earnings Per Share

Basic earnings per share is calculated by dividing the net profit or loss for the year attributable to equity shareholders (after deducting preference dividends and attributable taxes) by the weighted average number of equity shares outstanding during the year. The weighted average number of equity shares outstanding during the year is adjusted for events of bonus issue, bonus element in a rights issue to existing shareholders, share split and reverse share split (consolidation of shares).

For the purpose of calculating diluted earnings per share, the net profit or loss for the year attributable to equity shareholders and the weighted average number of shares outstanding during the year are adjusted for the effects of all dilutive potential equity shares.

l) Provisions, Contingent Liabilities and Contingent Assets

A provision is recognized when an enterprise has a present obligation as a result of past event it is probable that an outflow of resources will be required to settle the obligation, in respect of which a reliable estimate can be made. Where no reliable estimate can be made, a disclosure is made as contingent liability. Provisions are not discounted to its present value and are determined based on best estimate required to settle the obligation at the balance sheet date. These are reviewed at each balance sheet date and adjusted to reflect the current best estimates.

Possible future obligations or present obligations that may but will probably not require outflow of resources or where the same cannot be reliably estimated, is disclosed as contingent liabilities in the notes to accounts of financial statements.

Contingent Assets are neither recognized nor disclosed in the financial statements.

m) Cash Flow Statement

Cash flow statement has been prepared under the 'Indirect Method'. Cash and cash equivalents, in the cash flow statement comprise unencumbered cash and bank balances.
